Front Garden -
Tanya & Vito.

There's a reason why bricks are Australia's most loved building material. Not only are they beautiful, durable and able to be used in a huge variety of home designs and styles - but they also work flawlessly both inside and out!

PGH Bricks & Pavers are thrilled to be the preferred brick supplier for The Block for another year. Read this fact sheet to explore your style, be inspired and unlock the endless possibilities of building with brick.

House 3. Front Garden

Tanya & Vito

Channelling the sophisticated minimal look indoors, Tanya & Vito created beautiful continuity using the same brick range as their fireplace to create a stunning front fence. They used hit and miss patterning with our Morada Blanco brick and off-white mortar to really complement the mid-century look of the house.

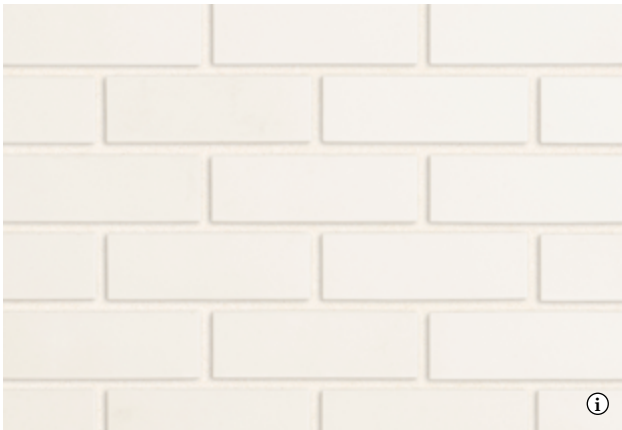

“I love the hit and miss brick look, it's appropriate for that mid-century feeling of the house.”
